"ATIM" is a refined 62' Fast Cruiser in kevlar combining performance, elegance and high-quality craftsmanship. Built by Latini Marine and refitted in 2014 by the Adria Sail shipyard, with interiors designed by architect Massimo Paperini, she offers bright and contemporary living spaces featuring fine teak and white lacquered surfaces.

The layout includes an Owner's cabin forward with en-suite bathroom and shower booth, two guest cabins aft each with en-suite bathroom, and an a navigation station integrated into the saloon, equipped with a PC screen that can also be used as a TV and for onboard systems monitoring. The refit also included weight optimization with central tanks and the overhaul of the lifting keel with new pins and torpedo bulb.

In recent years the yacht has benefited from significant upgrades, including a new engine, new standing rigging, repainting of the carbon mast and boom, replacement of the steering wheels, a new mooring winch, overhaul of the bow thruster, new batteries, new floorboards, new grey-water tanks etc. - Check the full brochure, the video and the sea trial on our Web site MEDIA SHIP
