Description

Rhea 850Open from 2006

Equipped with 2 Volvo Penta D4 diesel engine in shaft line, only 770 hours.

The Rhea 850 Open is certainly an endearing boat.

Capable of going out in all weathers due to an extraordinary hull, perfectly built and timeless, this boat will find its use both in day trips and in coastal cruises, and this in 9m barely!

Its discreet luxury blends into both the Mediterranean and the Atlantic, which immediately distinguishes it from mass production. And this last point is not the least surprising thing...
