## Description

---

Sea Ray SPX 230: Elegance, Sportiness and Comfort in a single boat  
The Sea Ray SPX 230, powered by a Mercruiser ECT 6.2L MPI DTS BRAVO 3 (300hp) is the perfect boat for those who want a versatile and satisfying sailing experience. With its sleek and sporty design, this boat embodies the Sea Ray spirit, while offering excellent performance and surprising comfort.

### Main features

**Modern and attractive design:** The Sea Ray SPX 230 stands out for its clean lines, aerodynamic profile and meticulously designed interior. The combination of high-quality colors and materials gives this boat a sophisticated and contemporary look.

**Space and comfort on board:** Despite its compact size, the SPX 230 offers surprising habitability, with ample space both fore and aft. The seats are ergonomic and comfortable, ideal for relaxing and enjoying the navigation.

**Brilliant Performance:** The SPX 230 is equipped with powerful engines that ensure smooth sailing and cruising. The boat responds promptly to commands and offers impeccable seaworthiness, even in rough sea conditions.

**Versatility of use:** This boat is perfect for both family outings and sports activities. It can be used for fishing, water skiing, diving, or just a relaxing cruise along the coast.

### MAIN EQUIPMENT

Black PVC Deck with Stainless Steel Insert, Ski Tow Hitch, Stainless Steel, Bathing Platform with Three Steps, Stainless Steel, Windshield, Custom
