## Description

---

New boat to be configured, available in Bellissima and Fuoriserie versions.

Italia Yachts 12.98 is a completely new project, which was born with a tapered and fast hull to be fun when cruising and give beautiful emotions in regattas as well as in navigation. It was created according to the canons of the most modern design where a very important part has been reserved for hydrodynamic simulations and data analysis entrusted to a pool of professionals. A hull with sleek and elusive lines, to always guarantee the best passage on the wave, safe and powerful. Proposing the well-established philosophy of the Shipyard, IY 12.98 is also presented in two versions: Bellissima, with designer interiors, important use of wood and fine upholstery. Custom-built, with lightened interiors in the finishes and also practical for the use of the boat in competitions.
