## Description

---

Hasmarine Yachting, built in 2022, is a 26-meter-long and 6.8-meter-wide luxury trawler yacht, designed to offer an exclusive experience at sea. With an elegant and functional design, the boat accommodates up to 10 passengers in 5 luxurious cabins, including 3 masters and 2 doubles, all with attention to detail with modern and welcoming furnishings. The cabins are equipped with large windows that offer a beautiful view of the sea, private bathroom, soft lighting and high-quality comforts.

The interiors feature a refined combination of natural materials, such as wood, and modern touches, creating a warm and relaxing atmosphere. The living area includes large, bright spaces with comfortable sofas, a fully equipped kitchen, and a dining room ideal for socializing with family and friends.

The exterior of the yacht is equally impressive. The flybridge is equipped with an American bar, seating area and sun loungers, providing the perfect setting to relax in the sun or enjoy a drink at sunset. The aft platform, with a hydraulic gangway, allows easy access to the sea, ideal even for less experienced guests. Among the activities available are paddleboarding, canoeing, water skiing, and water toys such as ringo.

With two 550 HP engines and two 27.5 kW generators, the yacht guarantees smooth and safe sailing.

### Interior description

The interiors of this yacht represent a perfect balance between modern luxury and a cozy atmosphere. With attention to the smallest details,
