Description

The AWAVE 48 is a boat that combines innovative design, generous spaces and advanced technology, offering an exclusive sailing experience. Designed for those who want the ultimate in comfort and performance, it stands out for its modern and elegant lines, cutting-edge construction and an extremely versatile configuration.

On deck, two large sundecks characterize the space: aft for three people and forward for two, perfect for relaxing in the sun or enjoying the view. A cozy sitting area with sofas facing each other becomes the ideal corner to sip an aperitif at sunset. Thanks to its convivial environments and its open space layout of 55 square meters, the AWAVE 48 also lends itself as a Party Boat, perfect for having fun, dancing and experiencing the sea with lightness.

Amidships, under the streamlined T-Top, is the fully equipped galley with induction burners, sink and refrigerator, located next to the dinette with two five-seater sofas separated by an elegant teak table that can be extended up to 2.20 meters, quickly transforming from a coffee table to a dining area.

The helm station offers maximum ergonomics and control, with two wraparound seats and two side seats, a console with dual 16" Raymarine touch screens, joysticks for precise maneuvering and a teak sports steering wheel with AWAVE logo. The boat is equipped with hydraulic steering, Raymarine autopilot, 24-mile radar, VHF and bow thruster, ensuring safe and smooth navigation and excellent maneuverability in port.

Currently in Liguria, ready to buoy, the AWAVE 48 is the ideal choice for
