Description

XBOAT ref :6039.My Quicksilver Activ 805 Cruiser: an exceptional boat for sale

I am selling my Quicksilver Activ 805 Cruiser, a fully equipped model launched in 2022. This almost new boat features a Mercury VERADO 350 HP outboard engine still under warranty, with only 140 hours of use. This is a unique opportunity to enjoy a premium boat, designed to offer optimal comfort and exceptional performance, whether for sea outings, fishing, or family cruises.

A flagship model from Quicksilver

The Activ 805 Cruiser is the flagship of the Quicksilver range, specifically designed for day cruising. It can accommodate up to 9 people and stands out for its elegance, power, and comfort. This model, produced between 2022 and 2025, is particularly appreciated for its versatility: it is ideal for water sports, family outings, or weekend trips at sea. Its 7.63-meter hull and engine powering up to 400 HP make it both a sporty and comfortable boat.

A Quicksilver shipyard: a story of passion and innovation

The Quicksilver shipyard, based in Verviers, Belgium, is renowned for its expertise and commitment to quality and safety. Since its inception, Quicksilver has evolved by collaborating with the best designers and naval engineers from the Brunswick group. The European production site, opened in Petit-Rechain, has made boats combining pleasure, style, and functionality accessible to Europeans. Quicksilver models, like the Activ 805 Cruiser, are synonymous with durability and performance, making them a trusted choice for nautical enthusiasts.
