Description

Innovations and Projects Mira 40: Luxurious and Performing, for Your Every Adventure at Sea. The Mira 40 is an elegant and high-performance boat, designed for those looking for comfort, speed and reliability at sea. With a length of 12.30 meters, this boat offers ample interior and exterior space, perfect for long-range cruises or day trips with friends and family. Its refined design and high-end performance make it an ideal choice for boating enthusiasts. The Mira 40 stands out for its modern and refined design, with elegant lines and an optimized space layout to ensure maximum comfort on board. The spacious cockpit, with an outdoor dining area and a large sundeck in the bow, is perfect for relaxing with friends or enjoying a cruise in total tranquility. The interior is designed to provide maximum comfort. The master double cabin, the guest cabin and the saloon with sofas and dining area create a welcoming and functional environment. The fully equipped kitchen and spacious bathroom add a touch of luxury and convenience to the navigation. The Mira 40 offers exceptional performance, perfect for those who love speed without sacrificing stability and safety at sea. Its high acceleration and navigation capabilities make it ideal for long distances or simple day trips. The high-quality finishes and resistant materials guarantee a long life.
