Description

This beautiful sloop is the first collaboration between the Finnish company Baltic Yachts and the US naval architects Sparkman & Stephens. Its length of 23.98 meters (overall 25.37 meters), allows it to be registered as a boat. Designed to ensure comfort and safety during long-haul cruises, it was completely refitted in 2006. Further work to ensure its reliability in ocean navigation was carried out in 2017.

Most recent interventions:
