Description

Launched in 2022, this 47-meter yacht represents a perfect balance between luxury, innovation and performance at sea. The modern and elegant design offers ample outdoor spaces, ensuring maximum comfort and freedom of movement for guests. Built with high quality materials and advanced technologies, it is designed for long sailings and luxury cruises in total safety.

The boat is divided into four main decks, designed to offer an exclusive experience on board. The Sun Deck has a large area dedicated to relaxation and entertainment, with sunbathing areas, bars and a jacuzzi. The Bridge Deck houses the wheelhouse and entertainment spaces, while the Main Deck, where the owner's cabin is also located, guarantees fluid access to the outdoor areas and common areas. The Lower Deck houses the 4 guest cabins, the engine room and the garage for tenders and water toys, allowing guests to enjoy numerous water activities.

Performance-wise, the yacht has a cruising speed of 10 knots and can reach around 14-15 knots at maximum power. With a fuel capacity of 53,000 liters, it offers a very good range, making it ideal for long crossings.

The interiors of this 47-meter yacht offer a sophisticated and comfortable environment, characterized by fine materials, contemporary design and lighting designed to enhance every space. The rooms are designed to ensure maximum habitability and an exclusive experience at sea, with large panoramic windows that give brightness and a breathtaking view of the ocean.
