Description

CHEETAH MARINE, 6.9m x 2.7m, from 2018, first hand.
Powered by 2 x 115hp Mercury. The engines are serviced every 100 hours.

The British shipyard Cheetah Marine has specialized in the design and construction of motor catamarans for over 25 years. Recognized for its innovation and commitment to quality.

The 6.9m catamaran is one of their flagship models which combines precision engineering, adaptability and performance. Which makes it an ideal choice for boating enthusiasts looking for a reliable and versatile boat.

It offers exceptional stability when sailing.

Its shallow draft (0.3m) allows you to navigate in shallow waters and makes launching easier.

It is equipped with an autopilot, depth sounder, VHF and compass.

This unit is located in Guadeloupe.

For sale with a double axle aluminum trailer, with mechanical disc brakes.
