Description

Completely overhauled mechanically, this unit has the potential to be a little firecracker on the water: its main asset is its small size (6.40m x 2.38), so it will sneak into the smallest coves. A pretty foredeck for 2 people to laze on, as well as an aft saloon that can be converted into a sunbathing area, a small bathing platform and a bathing ladder for snorkelling.

She has all the features of a sportsboat without the downsides of a big boat, even her small cabin can accommodate you for a nap or a night in a creek.

Her 2 Volvo 32 Kad developing 170 hp give her an announced speed of 30 knots.

It's all yours for the thrill of waterskiing, wakeboarding and other water sports.

Kelt no longer has a reputation to build on, so make the most of it...
