Description

Boat Description

2021 model Rand Mana 23 ELECTRIC powered with Torqeedo Cruise 4.0 FP. One owner from new in excellent condition. The spacious layout provides ample seating as well as freedom to move and great functionality and the all important fridge. This model has had one owner from new, received a full valet January 2025. Lying out of the water in Chertsey.

Layout

The layout of Mana 23 contains areas designed for different purposes to adapt to your needs, whether you want to sunbathe on the aft double sun lounge or enjoy a romantic dinner in the sunset for up to 10 people around the table. The seating with its ergonomic backrests and proportions creates the comfort so you can cruise for hours.

Steering Console

The highly functional and simple steering console is laid out for intuitive use and has been designed to create an engaging driving experience with its ergonomic proportions. The special design of the captain's seat integrated into the engine room hatch means that there is storage and access right at the helm.

Features

From the integrated bow boarding stairs with special built-in bimini flip-up storage and cork detailing everywhere from deck to lining, to the walk-around features down through the boat, the Mana 23 is optimized for good times in the most environmentally friendly motorboat in the world.
