## Description

Feel like immersing yourself (once again) in the 90's aboard a supremely luxurious sport cruiser? This Leopard 21.5 Sport is a rare find. In exceptional condition, it embodies the power of the sea, the splendor of luxury, the grandeur of comfort. From the engine room through the bathrooms to the auxiliary garage, everything is clean and well maintained. The carpet is as good as new, the teak deck is recent. Antifouling and hull polish carried out in the spring of 2022, as well as the balancing of the propellers. The exterior layout of the Leopard 21.5 Sport is divided into three large independent spaces. The bathing platform and its two side staircases are sure to lead you to an incredible double sundeck. Then comes the cockpit, with its very complete wetbar (large fridge, large freezer and ice maker) and its sporty and pleasant open lines. The full awning allows you to enjoy it all day long. The second sundeck, located at the bow, is simply sumptuous. The interior of the Leopard 21.5 transports us to a tranquil, comfortable and luxurious setting. The beige tones soothe us, the ostrich skin adds a sense of order and the condition of the boat envelops us in serenity. And you would be right. Cruising in a Leopard means experiencing the sea with confidence. The large saloon and separate galley offer plenty of comfort on board. Three large cabins, each with its own bathroom (electric toilets and separate shower cabins). Get close to the fine sand or pebbles with the tender and its 25 hp engine. Crew cabin. The curves, the latticed wardrobe doors, the carpet create the vintage style that we love.
