Description

This Princess V65 P2 (aft sliding door) combines the expertise, excellence and attention to detail of one of the world's most renowned shipyards to create an exceptional boat. Absolutely seaworthy, her V-shaped hull takes to the seas in all weathers with elegance and efficiency (cruising speed of 24 knots and top speed of 32 knots), whilst sailing and manoeuvring assisted by the Yacht Controller will give you genuine enjoyment.

This unit is equipped to take to the sea for long stays: 17 kw generator, watermaker, electrical converter, storage areas, Fusion sound system, tracVision And to ensure absolute comfort: freezer, dishwasher, washing machine, tumble dryer, air conditioning and heating...

As for the exterior layout, it's all there: a large sundeck aft and forward, fully-fitted wetbar, very large cockpit saloon and spacious, slender foredeck with an integrated electric windlass that leaves plenty of room at the front of the bow to enjoy the sea - everything makes for a fantastic moment of pleasure. Technical features include wide, safe teak gangways, side skipper opening, a hydraulic central gangway, hydraulically opening tender garage and a large storage/workshop compartment:

As for the interior space, there's plenty of space worthy of a flybridge without the drawbacks, 3 spacious cabins with ample storage space and en-suite bathrooms, each with a separate shower cubicle, not forgetting the sailor's cabin at the stern.

The style of this Princess V65 is timeless, with mahogany interior woodwork and
