349 000 € All Tax Included

Description

Full of sun and thrills

This near-new Cap Camarat WA 12.5, with its 39 engine hours, has it all. Its Première Silvertex finish, with an outdoor galley area worthy of the greatest, gives it unparalleled style. (designed by architect Michael Peters and Sarrazin Design, two renowned figures in the boating world).

It is equipped with the Garmin electronics package (GPS 1223 XSV, GT15 M-IH sensor, VHF 315) and the FUSION 4HP audio package.

The bridge, cockpit, side decks and, of course, the bathing platform are all in teak, not to mention the stylish side opening.

Ready to set sail on your favorite waters, anti-fouling and engine maintenance done, take advantage of its great performance (with the throttle pushed all the way, it takes no more than 10 seconds to reach lift-off speed, 30 knots are reached in 20 seconds with a top speed of 44 knots, its removable water-skiing mast promises great sensations).

Rest assured, this unit is hyper-easy to handle, with its autopilot and cruise control, stainless steel bow protection, 8-person inshore armament including survival gear, searchlight and fore/aft cockpit spotlight guaranteeing an unparalleled level of safety. Joystick, bow thruster and autopilot make maneuvering child's play.

And when it comes to anchoring, you'll find all the kit you need, plus a roof rack for storage, all with incredible versatility for a 12-meter: TV 2 cabins for 5 berths
