garbin 26

57 000 € All Tax Included

## Description

Garbin Yachts is a young Catalan company with over 20 years of experience. The Garbin 26 is a great opportunity for a day cruiser under 8 metres in length, a multi-purpose and manoeuvrable craft with a bow thruster and a 240 HP Volvo Penta V6 engine (Aquamatic technology - injection system and liquid cooling without heat exchanger).

The layout is super-optimised, with a sundeck forward and a teak cockpit aft that can be converted into a sundeck, dining table or fishing area with its 2 folding bench seats.

In the cabin, there's a convertible saloon, a berth for 2 and a well-appointed bathroom.

With its Led helm, fridge, cool box and deck BBQ, imagine the beautiful sea escapes in the smallest and most remote coves.

This unit is like new, 137 hours only, superbly equipped.

This boat is made for fishermen or small families: with a camping awning, 4 rod holders and a swimming lanyard, young and old alike will be delighted with the time spent with this Garbin 26.

Contact us, we'll be delighted to help you with your project: we speak French, English, German, Spanish and Catalan.----
