

SALE OCCASION.

sea ray Sedan 420

250 000 € All Tax Included

Description

Sea Ray, the iconic American brand, is renowned for its spaciousness, but not only that. This Sedan 420 Bridge will blow you away. It's a pearl, with everything spacious and well thought out. Its accessibility is excellent, either via the port side with its spacious steps, the large side walk or via its hydraulic gangway with remote control

Her Fly has a saloon that converts to a sunbathing area.

The aft outside saloon: it's up to you to imagine: fishing (6 rod holders), aperitifs with friends, family meals ... all 3?

As for the interior, the saloon (convertible into a super-comfortable berth) with its galley slightly below is very convivial, not to mention the 2 cabins with en suite bathrooms waiting for you. This means you can comfortably accommodate 6 people for creek stopovers.

A dishwasher or washing machine can easily be installed under the stairs. There's an integrated central vacuum unit.

In terms of performance, her Cummins 480 CE engines deliver enough power to cruise at 22 knots and up to 28 knots. This is a very well-maintained boat that is used very regularly.

Finally, let's talk about navigation aids and safety: EPIRB, life raft for 8 people, radar, repeater on the Fly with recent electronics.

With its generator, 600l of water and 1300l of diesel, it's time for great escapades, dream horizons and the pleasure of being together
