## Description

A 53-tonne pearl on the water, this 25-metre Mangusta superyacht from OverMarine is a first-class beauty.

With her deep-V metal grey hull, sleek and stylish lines and 2200hp MTU engines with surface propeller propulsion, you'll be sailing (or should we say surfing?) at close to 40 knots.

Sail and enjoy the creeks in complete autonomy thanks to its 6000l of diesel, its watermaker and its 2 20kw generators.

An aft cockpit like out of a movie: 2 lounges/dining rooms facing each other and a gigantic double solarium.

The interior design also offers exceptional space for parties or entertaining friends, transparent quality leather and woodwork, a spacious, fully equipped galley, 3 large cabins with en suite shower rooms (double for the master) and the forward crew cabin with sanitary facilities for 2 people.

Full electronics, bow and stern thrusters, tender with engine.

A very well maintained boat from a single owner that has never been chartered: last overhaul and anti-fouling in May 2023.
