Description

This Goldfish 38 Sport 2021 is an exceptional boat, designed for those seeking thrills and extreme sailing.

Powered by two 565 hp Mercury Racing engines, it reaches a spectacular speed of 80 knots, offering a rare combination of power, maneuverability, and responsiveness.

Its bold design, with a matte black hull and khaki upholstery, asserts a unique and refined style that is in perfect harmony with its sporty temperament. Featuring a deep V-shaped hull, it guarantees smooth, stable, and safe sailing.

The boat also has a cabin with a toilet and a small refrigerator, providing functional comfort for day trips or extended outings.

Designed for speed enthusiasts and design lovers alike, the Goldfish 38 Sport combines elegance, ergonomics, and cutting-edge technology. It is much more than a boat: it is a concentrated dose of adrenaline and sophistication.
