princess V85 s

1 900 000 € + VAT

Description

A British shipyard with an unrivalled reputation, 2 Caterpillar 1800 hp engines propel this magnificent Princess V85 up to 32 knots and give her a range of 360 miles at 20 knots, not to mention her 2 generators and watermaker, which provide perfect autonomy.

Unrivalled seakeeping thanks to the planing hull that has made its reputation. Its elegant, timeless looks, 2022 refit and RINA certification will make you forget its 1,900 engine hours.

The exterior features 3 dreamy living areas: the aft deck with its real outdoor dining area, followed by the huge, partially shaded solárium overlooking the teak bathing platform, the bow saloon with its large sundeck and finally the flydeck with its helm station and bench seating.

Inside, the layout is the same, with a saloon and dining room, 4 cabins, each with its own private bathroom, including a master cabin worthy of the largest yachts. Accompanying staff are also well accommodated in the 'crew quarters', with 3 berths (2 of which are bunk beds) and their own bathroom.

The galley has everything you'd expect, and the same goes for maintenance (central vacuum cleaner, washing machine with dryer, etc.).

All that's left for you to do is enjoy the yacht in complete serenity, thanks to the wide range of safety equipment (EIRP, life raft, surveillance system, etc.) and entertainment facilities (satellite TV in each cabin, sound system, dinghy, jetski, water toys, etc.).
