## Description

Excellent opportunity.

This splendid 2009 Princess V65 is for sale, almost completely refurbished in 2023, and ready for her new owner immediately. Equipped with 2 overhauled MTU V10 2000 M92 1380hp engines. Fresh from the yard (superstructure paint + fairing + antifouling + MTU engine service all done July 2024) and with the vast majority of interior/exterior elements refurbished, she is truly the most interesting V65 on the market.

The special feature of this V65 unit is that her length is just under 20 meters, so you won't be restricted by French/Corsican mooring regulations.

Annual berth available to take over, between NICE and MONACO. A miracle when you consider how difficult it is to find a berth here. Here is the list of items refurbished in the last 12 months:

- Upholstery
- Carpeting
- TV in one cabin
- Air conditioning box and cards
- Ice maker
- Fridge
- Grill
- 3 toilet motors
- VHF
- Satellite
- Hydraulic gangway
