Description

Stunning Riva 86 DOMINO in UNMATCHED CONDITION. Low hours. A true gem.

Registered under 24 meters (good for mooring limits in France).

Highly equipped with gyro stabilizers, watermaker (winterized for a better maintenance), AIS etc.

Many recent works have been carried out, including new navigation screens, new VHF, gangway entirely overhauled, new sun covers for windscreen & bow, one new anchor.

The exterior upholstery is in very good condition. New covers have been fitted for comfort, and flybridge's upholstery is new.

Generator and A/C are in perfect working condition.

New anti-fouling in 2024 with anti-osmosis prevention treatment.

Definitely the most interesting unit on the market.

I strongly recommend to reach out for a viewing.
