520 000 € All Tax Included

## Description

A stylish Hardtop from 2009 that combines space, light and grace.

Its elegant, flowing lines are characteristic of Sunseeker, giving it a feeling of fluidity.

Besides its efficient motorisation (2 800 hp MAN engines), it has everything it needs: hydraulic platform, underwater lights, FUSION and BOSE sound systems, electric hard-top, treated wood interior floor, fully equipped galley with ceramic hob, dishwasher and washing machine.

Its undeniable asset is the sliding door that separates the main deck from the cockpit without restricting the space reserved for the rear sundeck.

She has 4 cabins, including a crew cabin with its own private bathroom.

A beautiful, well-maintained unit.
