beneteau Swift trawler 34

189 000 € All Tax Included

Description

This 2013 Bénéteau Swift Trawler 34 can accommodate 10 people (6 berths) and, with just 740 engine hours (Cummins 425 hp), combines style and art of living.

For an 11-metre yacht, it's a very big little one: a spacious flybridge with helm station, a teak cockpit, with 2 metres of headroom, a bright and pleasant interior that has been very well designed, 2 cabins, a convertible saloon with separating curtain, a bathroom, lots of clever storage space, and a complete and functional U-shaped galley make it a real little house on the water.

Sailing-wise, she's cut out for the high seas with her semi-planing hull, she'll reach 20 knots and sail at 12 knots with extremely low fuel consumption (0.4l/mile announced by the shipyard).

In terms of manoeuvring, she is equipped with stern and bow thrusters, a hydraulic gangway, electric windlass and Raymarine electronics.

Did you know? With more than 350 boats in service and a wealth of unique experiences, including the famous American "Great Loop", the Swift Trawler 34 has qualities that make it the undisputed leader in this market.
