Description

The American spirit on the water, this T-Top Pursuit (American brand) of less than 9 m is a reference in the world of sports fishing.

With its 2 Yamaha engines, each rated at 300 hp, it's a racing boat on the water, with a cruising speed of 28 knots and an extra 20 knots to give you at full throttle. And that's not even mentioning her sharp hull, which makes short work of waves and swells.

This boat is a super bargain from 2022 with only 30 engine hours. Superbly equipped: fridge, toilet, black water tank, sundeck convertible into picnic area, fish tank and rod holder. High-tech sound system, GPS, fishfinder.
