## Description

XBOAT ref :6057.Jeanneau Prestige 440S

A great success since its launch in 2009, the Prestige 440S has established itself through its numerous marine qualities and versatility. Whether for day cruising or week-long trips, thanks to its protective opening cockpit, it benefits from IPS propulsion and a plethora of comfort equipment.

Electronic anchor, dinghy garage, reversible air conditioning, generator... everything is included to make the PRESTIGE 440S both a seaworthy and habitable unit, compact and complete.

This particular model underwent a complete overhaul of its IPS in 2024/2025.
