Description

JEANNEAU PRESTIGE 38 S, from 2010, powered by twin 320 hp Cummins Mercruisers.

This boat has undergone extensive work, including: engine cylinder blocks, starters, heat exchangers, outdrive overhauls, and other technical work (invoices available upon request).

Its layout allows you to enjoy the boat year-round. Its cockpit is fully enclosed thanks to the electric hardtop, as well as the various electric windows and aft door.

It features three living/saloon areas: two exterior areas, one of which is covered, one completely exterior, still covered with a sun awning, and one interior lounge.

Its well-equipped galley and two beautiful cabins allow you to enjoy several days of cruising with family or friends.

In addition, it is equipped with options such as a generator, a joystick, a hydraulic gangway, and more.

Virtual tour available upon request.
