Description

Minor 31 – Compact motor yacht with maximum comfort

The Minor 31 combines safety, functionality and comfort in a length of 10 metres. Her walkaround design allows safe access to the entire deck – ideal for mooring maneuvers and easy handling. With a high freeboard and CE category B certification, it is also ideally suited for demanding offshore areas.

Comfort & Features

The sheltered deckhouse offers first-class all-round visibility and allows pleasant cruising in any weather. The saloon can accommodate up to six people, an adjustable table and two comfortable armchairs ensure flexible use. The equipment includes TV, radio, high-quality audio technology and a well-equipped galley with cooking facilities and sink. A toilet with washing facilities increases comfort.

A special highlight: the sunroof creates an airy atmosphere and can be opened or closed depending on the weather. Two cabins can accommodate two people each – ideal for couples or a family.

Steering position & navigation

The ergonomically designed helm station has two comfortable seats, an adjustable console and a bow thruster for precise port manoeuvres. The AXIOM 12 PRO-RVX 12" touchscreen plotter makes navigation easy with advanced chart, radar and sonar capabilities.

Drive & Handling

A Volvo Penta D6-330 DPH EVC with 330 hp ensures an optimal combination of power, efficiency and smoothness. The Duoprop propulsion system ensures excellent manoeuvrability. The boat reaches
