franchini yachts FRANCHINI 63

1 450 000 € EX. VAT

Description

The Franchini MIA 63 is an extraordinary luxury yacht, offering modern design, exceptional performance, and unparalleled comfort. Measuring 19.2 meters in length and powered by two Volvo Penta IPS 950 engines (each providing 800 horsepower), it cruises smoothly at 28 knots and reaches a top speed of 38 knots. Perfectly designed for thrilling adventures and serene cruises, this yacht blends power with elegance. Inside, the yacht offers a modern, luxurious living space, featuring three spacious double cabins, each with an en-suite bathroom for privacy and comfort. There's also a dedicated crew cabin, ensuring seamless service. The bright and open interior, made with high-quality materials, creates a sophisticated environment perfect for relaxation after a day on the water. The outdoor spaces are ideal for both relaxation and entertaining. The hydraulic bathing platform provides effortless access to the water, making it perfect for swimming or other water activities. An aft garage stores a tender with an outboard motor, offering easy access for exploration. The electric hardtop provides shade when needed, while the forward and aft sunshades ensure comfort under the sun. This yacht includes advanced features that elevate comfort and performance. With a retractable anchor and windlass, anchoring is quick and easy. The Webasto air conditioning ensures a comfortable climate even on the hottest days, while the Whisper Power generator ensures reliable power for extended stays on board. The yacht delivers both luxury and performance, tailored for the most discerning yacht enthusiasts. Its advanced design and powerful engine performance offer an exciting experience on the water. The spacious cabins,

Description

The Franchini MIA 63 is a prestigious motoryacht that combines unique design, exceptional performance, and absolute comfort. Built for uncompromising cruising, it stands out with refined lines, high-end materials, and an impeccable finish. At 19.2 meters long and powered by two 800 hp Volvo Penta IPS 950 engines, it cruises at 28 knots and reaches a top speed of 38 knots. Inside, three double cabins with en-suite bathrooms and a dedicated crew cabin create a spacious, luxurious living area. The single-level teak deck allows safe, effortless movement. An electric hard top, along with forward and aft sunshades, ensures comfort in all seasons. The hydraulic bathing platform provides easy sea access, while the aft garage stores a tender with an integrated outboard motor. Equipped with a retractable anchor, windlass, Webasto air conditioning, and a Whisper Power generator, the yacht guarantees full autonomy and well-being on board. Available immediately with an optional berth, the Franchini MIA 63 offers the perfect blend of luxury and freedom.
