Description

The Okean 57 (2025), designed by Italian designer Paolo Ferragni, combines innovative design, remarkable performance, and practicality. This model builds upon the success of the Okean 55. It features an upgraded sliding swim platform and a brand-new Walk Around layout. These enhancements significantly improve comfort and create a smoother onboard experience. Designed for both relaxation and entertainment, the Okean 57 offers a spacious layout. Ample outdoor spaces provide an ideal setting for entertaining or sunbathing. The spacious lounge offers a welcoming atmosphere for socializing or unwinding after a long day at sea. Its elegant white hull and sleek design promise both beauty and performance. Inside, the yacht provides a relaxing environment with comfortable cabins and open spaces. The owner's cabin features a king-sized bed, while the guest cabins offer flexibility for different needs. The interior incorporates smart storage solutions to ensure a clean and organized space. The Okean 57 offers impressive performance with Volvo D8 IPS 800 engines. This powerful engine setup allows the yacht to reach a top speed of 35 knots, making it perfect for thrilling cruises. Thanks to the IPS system, navigating the yacht is a breeze, even for those with limited experience. Its precision and agility ensure smooth handling, no matter the conditions. Designed to enhance the onboard experience, the Okean 57 includes several high-end features. The hydraulic swim platform gives you easy access to the water, making it perfect for swimming or water sports. The Walk Around design improves safety and accessibility, allowing you to move easily from one side of the yacht to the other. The
