Description

The Sole Power SP35 is an exceptional boat, standing out for its walk-around design and large outdoor spaces, offering an unparalleled boating experience. It blends comfort, luxury, and elegance perfectly. Whether cruising with family and friends or enjoying a peaceful day at sea, the SP35 provides everything you need to make the most of your time on the water. Its walk-around design ensures easy access to all areas of the boat. The large rear bays are perfect for relaxing, sunbathing, or socializing. The forward lounge offers a comfortable space to unwind while taking in the stunning views. The central seating area is versatile and can be configured in three ways to suit your needs. You can enjoy the space whether entertaining guests or enjoying a quiet cruise. This flexible setup ensures an optimal space for any activity. The Sole Power SP35 also features an outdoor kitchen, allowing you to fully enjoy your time on board. Whether cooking a meal or preparing refreshments, it enhances the boat's livability. It's perfect for dining outdoors or simply enjoying the water. The boat offers flexible engine options, including single or twin engines, and you can choose between outboard or inboard engines. This ensures versatility, whether you prefer a quieter ride or more power and speed. Built with comfort and convenience in mind, the Sole Power SP35 boasts a sleek, modern design with spacious lounging areas and comfortable seating. Ample storage space ensures you can bring everything you need. Whether for short trips or longer cruises, this boat is designed to keep you comfortable. Every moment spent on the Sole Power SP35 will be memorable. It combines style, performance, and functionality, offering
