Description

PRINCESS 56 – 2016

The Princess 56 Flybridge, built in 2016, is a stunning example of British nautical craftsmanship, combining timeless elegance, outstanding performance, and luxurious comfort. Meticulously maintained with a full service history, this yacht benefits from a dedicated professional captain on board year-round, ensuring it remains in impeccable condition and fully operational at all times.

This Princess 56 is powered by twin Volvo D13 engines with 800 HP each, offering the perfect balance between power and fuel efficiency. It boasts an impressive top speed of 32 knots, with efficient cruising figures that cater to both long-distance relaxation and high-speed transfers:

50 liters per hour at 10 knots, perfect for economical long-distance cruising.

230 liters per hour at 25 knots, providing dynamic and fast navigation. Its spacious flybridge is designed for leisure and entertainment, featuring a large dining area, an extensive sunbathing space, and a well-positioned helm station offering exceptional visibility. Adding to its versatility, this yacht includes a 2020 WILLIAMS 345 jet tender, ideal for shore transfers, exploring secluded bays, and watersports.

Inside, the Princess 56 offers a welcoming and sophisticated space, adorned with premium wood finishes, soft ambient lighting, and panoramic glazing, flooding the salon with natural light.

Its layout includes three beautifully appointed cabins, including a full-beam master suite with a private en-suite bathroom, ensuring first-
