fountaine pajot Aura 51

PRICE UPON REQUEST

## Description

AURA 51 marks a new stage in the evolution of the Fountaine Pajot Sailing Catamarans range and the La Rochelle shipyard's desire to go further in its environmental approach. A winning bet that allows AURA 51 to generate 5 times more solar energy than other yachts equipped with solar panels. With the option of opting for a hybrid engine, the New 51 can boast of producing more energy than it consumes, for sustainable cruising.

The Aura 51 for sale is the Full Maestro version (4 cabins and 4 bathrooms): Port hull entirely dedicated to the owner's cabin with large storage spaces and bathroom with separate shower with synthetic teak and separate toilet; Starboard hull with 3 double bed cabins and 3 bathrooms. In addition to the extreme bows, there are crew cabins, one of which has a bathroom and shower.

Full optionals.
