Description

Privateer Trawler 50 – A masterpiece of maritime engineering
Experience the perfect symbiosis of classic design and state-of-the-art technology with the Privateer Trawler 50 – an exclusive motor yacht that impresses not only with its impressive presence on the water, but also with its exceptional seaworthiness and luxurious equipment. This yacht is much more than a means of transport – it is a promise of unparalleled experiences on the world's oceans.

Design & Construction – Elegance meets robustness

The Privateer Trawler 50 combines timeless, clean lines with a particularly robust construction made of high-quality steel, which ensures maximum stability and durability. The thoughtful construction combines stylish elegance with functional sophistication, making it the ideal choice for experienced skippers as well as passionate lovers of luxurious yachts. Large windows and a continuous deck line not only ensure a harmonious appearance, but also a light-flooded atmosphere inside.
