

SALE PRE OWNED

**hylas Hylas 54**

**410 000 € ALL TAX INCLUDED**

## Description

---

The Hylas 54 is a true world-class blue waterboat designed by German Frers and built to exacting standards by Queen Long Marine. Renowned for its powerful performance, sleek lines and offshore capabilities, the 54 remains one of the most sought-after sailboats in its class. With a long fin keel and suspended rudder, it offers excellent directional stability and seaworthiness, while its cutter mast provides a versatile and easily manageable sail plan for small crews. Its robust construction, which includes Twaron aramid fiber reinforcements and vinylester resins, ensures durability and confidence in demanding offshore conditions.

Below deck, the Hylas 54 impresses with a spacious and cleverly designed interior that balances comfort for life on board with practical functionality. The three-cabin, two-bathroom layout features a luxurious master stateroom aft with a queen bed in the middle, ample storage space, and an en-suite bathroom with separate shower. The saloon offers a bright and welcoming space to entertain or relax, with finely crafted teak finishes and abundant natural light. A well-equipped galley, a forward-facing sailing station, and numerous sea-ready details—such as deep lockers, marine berths, and secure handles—make the Hylas 54 a proven choice for cruisers looking for comfort, safety, and elegance at sea.

ASIA is a rare example: a Hylas 54 with VAT paid, flying the Italian flag, currently moored in the Adriatic Sea. Designed by German Frers and built by Queen Long Marine, the Hylas 54 is widely considered one of the best blue cruising sailboats in its class, offering exceptional offshore
