### Exterior Design

As pleasant to the eye as she is to live aboard, the Flyer 10 has taut lines attractively accentuated by a full-beam windshield with side panes. The driving station allows four people facing the sea to enjoy all the thrills, with two bolster seats beside the console and a double seat on the port side. A rigid T-top or bimini can be installed to protect this area.

Featuring the smart walkaround concept, the Flyer 10 marries easy movement on board with safety, and with an asymmetric single port walkway, she offers a bigger deck space, with a vast three people sunbathing area, and a unique amount of cabin space.
