Description

2019 SQUALT MARINE CK64 – Aluminium Cruising Catamaran
VAT Excluded – Make an Offer
Flag: Saint Vincent & the Grenadines
Currently located in the French West Indies
Built in 2018 by Squalt Marine International (Tunisia) and launched in 2019, this CK64 aluminium sailing catamaran is a true blue-water cruiser, designed for autonomy, comfort, and long-range navigation.

Constructed entirely in aluminium, she offers robustness, safety, and ease of maintenance, making her ideal for private ownership or long-distance cruising programs.

Accommodation & Layout

4 double guest cabins, all with private ensuite bathrooms
2 crew cabins, accessed via deck hatches
Capacity: up to 10 guests + crew
Fully air-conditioned saloon
Individual air conditioning in each cabin

The interior layout is functional and seaworthy, designed for extended stays onboard with excellent ventilation, storage, and comfort.

Galley & Domestic Equipment

U-shaped galley
