## Description

---

With the BGX73, the Zuccon studio revolutionizes the Bluegame line and perfectly combines elegant lines and large living spaces. The centrality of the owner's cabin finds one of its highest expressions in this model. It is in fact centrally located with access to both the living area and a private area, which can be used as a guest room if needed. Light plays a fundamental role, particularly in living areas, where the percentage of glass surfaces is so large that exteriors and interiors merge as part of the same environment.

BGX73 pushes the concept of the owner-centric boat, bringing an inseparable and harmonious bond between the owner himself and the way he experiences the sea.

Boat like new, with more than 800 thousand euros of options on board, impeccable condition, available with immediate delivery. Official warranty expires July 2025
