Description

Azimut 62 FURNITURE REDONE IN BLEACHED OAK that make it very bright and elegant.

The Azimut 62 designed by Righini was designed and built with particular attention to trim. The boat, in fact, always reacts optimally to the stimuli and driving inputs it receives; its position in the water is optimal, dry on the sides, at every gait, and not affected by sudden maneuvers or sudden turns. Very fast and effective return to the optimal set-up.
