sansita yacht 75 fly

2 400 000 € EX. VAT

Description

The SUNSEA 750 FLY is a 22.90-meter UNDER CONSTRUCTION flybridge, designed to offer an uncompromising luxury sailing experience. It combines Italian elegance, advanced technology and maximum customization, satisfying even the most demanding owners.

Its modern and balanced lines express a decisive but refined style, while the naval design ensures exceptional stability, smooth navigation and optimized fuel consumption. Powered by MAN engines up to 1400 HP and supported by dual 17.5 kW generators, the 750 FLY is perfectly equipped for long cruises in complete comfort.

The flybridge is a privileged meeting point for outdoor life, with sundeck, barbecue, refrigerator, 400 kg davit and the possibility of choosing between manual bimini top or carbon hard top with sunroof.

At the bow there is a spacious lounge area with integrated sunpad, ideal for moments of relaxation. The aft cockpit, elegant and functional, can also be equipped with a third helm station for manoeuvring in complete safety.

The yacht in the CE class A category has the following standard equipment:

TECHNICAL COMPONENTS: Generators 17.5 kW (N°2) - Maintenance-free AGM battery system for service, engine and starting - Air conditioning 60,000 btu - Bow thruster - Hydraulic gangway (illuminated) - Hydraulic bathing ladder - Side door in the galley - Door for the crew area from the bathing platform - Cockpit moorings (N°2) Anchor and chain with washing - Racor fuel filters (N°2) - Special insulation in engine room and main room (acoustic and thermal)
