## Description

AZIMUT 46 Fly from 2002– Perfectly Maintained, Self-Sufficient, and Ready to Sail

This Azimut 46 Fly, powered by two Caterpillar 3126B engines, is a real opportunity on the market. Owned by a particularly meticulous and technically adept owner, she has benefited from rigorous maintenance, with work consistently carried out on time.

Perfectly priced, this yacht stands out for its comprehensive and recent equipment: new watermaker (2022), 9kVA Kohler generator, 200W solar panels (2022), state-of-the-art Garmin radar and electronics, new ICOM VHF, and a new dinghy with a 5hp Yamaha (2023).

Designed for complete autonomy at sea, this Azimut 46 Fly is ideal for long cruises. The solar panels, watermaker, and generator allow you to fully enjoy life on board without relying on ports. A true second home on the water, it offers exceptional comfort with new exterior upholstery (2023), a Flexiteek aft cockpit (2023), comfort mattresses (2021 and 2023), and much more.

This boat is ready to sail immediately. The future buyer will undoubtedly be fortunate to benefit from such a well-maintained, self-sufficient boat equipped for extended adventures at sea.
