Description

This boat surprises, as open and at the same time offers a complete cabin. The asymmetrical deck offers the opportunity to have wide and deep passages in the bow that allow great freedom of movement in total safety. At the bow a large sundeck and a comfortable and safe maneuvering area. At the stern, the large bathing platform is completed with a seat, a ladder, a fender holder and a shower. Teak and wood inserts make the cockpit and bathroom area even more attractive.
