

SALE PRE OWNED

arcadia yachts Sherpa 60

1 490 000 € EX. VAT

## Description

Presented in exceptional condition and packed with upgrades, this Arcadia Sherpa 60 offers a rare opportunity for discerning buyers. Highlights include updated IPS 650 engines, Seakeeper gyro stabilizer, full teak deck, and custom Italian helm and navigator seats. The yacht also features a bow thruster remote control, ample LED lighting, solar panels and a 400kg davit crane in a spacious garage amidships. Additional luxuries include air conditioning, a Raymarine sailing suite, premium entertainment systems, and a lightweight ZAR Mini tender for exploring the nearby bays. Notable for its second-generation hull with molded keel and larger bathing platform, this yacht also includes two "dummy" domes, one wired for future installation of antennas and decoders. The yacht is now equipped with an updated aluminum glass door, a feature added upon request, which was not originally part of the design. Teak decking in the wheelhouse is a substantial option and can be highlighted for its elegance. Ready to go. Call for more details.
