Description

PRESTIGE 620 – 2013 – JOYSTICK IPS – 3 CABINS + CREW

Delivered in 2013 and professionally maintained since launch, this Prestige 620 is a prime example of the sought-after flybridge model from the Prestige Yachts range. Powered by twin Volvo IPS 950 engines with joystick control at three stations, it offers exceptional maneuverability, performance, and comfort at sea.

Measuring 19.02 meters in length with a beam of 5.12 meters, the Prestige 620 boasts generous interior volume and refined finishes throughout. The layout includes three well-appointed guest cabins, each with en-suite facilities, plus a separate crew cabin with private access and dedicated bathroom.

The full-beam owner's suite is midship, featuring large windows, excellent storage, and a spacious bathroom. The forward VIP cabin and portside convertible twin cabin are also thoughtfully designed, making this yacht ideal for family cruising or owner-operator use.

The salon, flooded with natural light thanks to panoramic glazing, connects seamlessly with the aft galley and cockpit, creating an elegant indoor-outdoor living space. The flybridge is equipped with a wet bar, sun pads, dining area, and a second helm station.

Key features include:

Twin Volvo IPS 950 with approx. 800 hours

Three joystick helm stations (main deck, flybridge, cockpit)

3 guest cabins + 1 crew cabin

Hydraulic bathing platform

Full Raymarine navigation suite
