Description

'Drifter Cube' is a fantastic top of the line Nautor Swan 98. Launched in 2020 she is kept by her first and sole owner in an immaculate condition thanks to her permanent crew onboard. As a full carbon cruiser Racer Yacht, she combines modern engineering and luxury design. The exterior is built with epoxy SPRINT pre-preg carbon fiber and Corecell foam for strength and lightness. Inside, the interior features quarter-cut oak and walnut, creating a warm and elegant space. Additional hull windows and hatches into the saloon allow for extra natural light, enhancing the overall ambiance.

'Drifter Cube' can accommodate up to eight guests in three double ensuite cabins, a master suite, and four crew in the crew quarters, offering plenty of room for comfort on longer trips.

She is now ready for the season, in a perfect condition awaiting her new owner, so do not hesitate to contact us for more information.
