**300 000 € ALL TAX INCLUDED**

## Description

MAX is an extraordinary Intrepid 475 SY for sale at Given For Yachting. Designed to maximize rigidity, stability and handling, the 475 model sails with the latest evolution of our signature transverse stepped hull, one of the most advanced in the entire marine industry. Ultra-lightweight structural laminates improve fuel efficiency. The hand-crafted, engineered composite structure is produced with vacuum-bag technology and resin infusion and combines a PVC core, precision-oriented unidirectional fibers, woven fabrics and Kevlar®. The result is a very light hull but at the same time rigid, resistant and safe. The almost obsessive commitment of this shipyard to quality, safety and customer service guarantees one of the best experiences of owning a boat. Designed and built to offer peace of mind on board, Intrepid boats far exceed industry standards in every aspect: from the strength of the hull to smart, family-friendly solutions, such as spacious bathrooms, comfortable seating for relaxation and strategically placed handrails, to ensure maximum comfort and total safety for you and your guests. Price excluding brokerage fees.

### Navigation equipment:
