jeanneau Cap camarat 7.5 cc série 2

69 900 € All Tax Included

## Description

With the Cap Camarat 7.5 CC Series2, Jeanneau is continuing the development of the Cap Camarat range with finesse. This open yacht is a T-Top, creating a very racy appearance with its teak cockpit.

Now is the time to take advantage of this great summer opportunity. This 2021 Cap Camarat 7.5 CC is ready to sail (antifouling and maintenance done) with its 300 hp Mercury Pro XS engine, which has only 120 engine hours.

Sensations guaranteed: with an exceptional hull designed by Mr Peters and an American-style console, the Cap Camarat 7.5 CC Serie 2 offers sensationally performance : FUSION sound system, Garmin electronics and electric windlass.

Not only is she a pleasure to navigate, she's easy to manoeuvre thanks to her bow thruster.

With a perfect view of the horizon, an ergonomic cockpit, a well-thought-out layout, sunbathing area and more, its elegant, refined and sporty look makes it simply irresistible!
