rodman Muse 54

Description

This 2011 Rodman Muse 54 is directly inspired from the sea, expressed in an elegant and soberly luxurious atmosphere. From 2011, its 2 Volvo Penta D12 engines have only 250h, they bring the ship to a cruising speed of 23 knots (max 30 knots) ensuring a range announced by the manufacturer of 300 miles in conditions of impressive stability (ailerons,

An attractive layout, with a spacious saloon inside and a well-equipped galley (including freezer, microwave, etc.) and air conditioning. Space is at a premium in this renowned Spanish shipyard, with accommodation for 12 people and a sleeping accommodation for 7 thanks to its 4 cabins (one of which is for the crew) and 3 bathrooms (one of which is for the crew). The flybridge awaits you with its wetbar, its large solarium at the bow overlooking the one on the lower deck, and its U-shaped saloon.

All the electronics are there, and the hydraulic gangway can be used as a crane.

Impeccable condition, maintenance and antifouling done.
