The boat, which is located in Flensburg Fjord, has been carefully reviewed by the current owner and is in top condition. A real opportunity to acquire a Norwegian quality boat. Very nice cabin cruiser with modern lines. Plenty of space for up to 6 people. Easy-going hull with lots of driving pleasure and safe walking. Here are the reviews you can read about the Polar 820 Express. The boat has a cruising speed of around 25 knots and a top speed of 40 knots.

The Polar 820 Express combines beautiful lines with being practical.
